

## 2010 NYSPC Championships Victor Central School

Victor Band Boosters invites you to attend the 2010 New York State Percussion Circuit Championships. The circuit boasts 23 competing groups from across the state, Junior High through College.

As a reminder, the performance is in a gymnasium with bleacher seating. Decibel levels rival excitement levels for indoor percussion shows. Come prepared.

Seating is limited to about 700 people. There will be a full retreat for standstill and PSA-2 classes about 4:00. We expect seating to free up after that retreat. If you are planning on only seeing later groups this may be an opportune time to arrive.
